Android backpack advertising machine

product information

model : LINGHUFOX-27BP
trademark : LINGHUFOX
product type: Android backpack advertising machine

CPU	Quad-core CA53, up to 1.4GHz (RK3288)
GPU	ARM G31MP2
RAM	2GB
RAM	16GB
operating system	Android 11.0
LCD screen	27" LCD high-definition screen
Resolution	1920*1080
Contrast	1000
brightness	500cdm2
screen ratio	16:10
WiFi	802.11b/g/n
Ethernet	100M network port
Bluetooth	Bluetooth 4.1
4G	4G module (optional)
TF card	TF card, (support up to 32GB)
power jack	DC power input
earphone	3.5mm stereo headphone output
Video format	MPEG-1,MPEG-2,MPEG-4,H.263,H.264,VC1,RV etc.,support up to 1080p
audio format	MP3/WMA/AAC etc.
Image Format	jpeg
trumpet	8*3W
OSD language	Multi-language OSD operation such as Chinese and English
Operating temperature	0--40 degrees
remote control	Standard
weight	6Kg
adapter	Power adapter 12V/3-5A
Battery	12V, 10800mAh
color	black
Package Size	74*16*48cm 10kg

Reduced pressure seismic design

Multilayer honeycomb mesh elastic foam back cushion, composed of three layers of different materials, with venti- lation, decompression and seismic effect
